

Medications and medication orders

Camp Mattakeesett nurses are onsite and available around-the-clock during camp.

We have a supply of over the counter medications available that we can provide on an as needed basis at camp with your permission given via Camp Docs.

If bringing prescribed medication for your daughter please place the following in a clear ziploc bag clearly labeled with her name
All medication bottles, inhalers, creams, etc. must be kept in original containers.

All medication must be:

- in the original containers
- clearly labeled
- will not be given without written instruction from your physician (this includes over the counter medications the child receives on a scheduled basis).

A complete, clearly written or typed (preferably) list of her medications with the following information:

- Name of camper
- Date of birth
- Name of medication
- Prescribing health provider
- dose (ex. mg, mL, puffs, drops)
- frequency (ex. daily, twice daily, as needed)
- time of day (ex. bedtime, with breakfast).

Medications not picked up at the end of camp will be disposed of. We will not be able to return them to anyone who has left them behind.

If you have any questions please email nurse mattakeesett@gmail.com
